Price for the printout of the plans is without packaging and shipping costs.

Please indicate if the plans shall be delivered folded (A4) or rolled. Minor scale differences may occur in case the printouts will be made from the TIF-files (which have been scanned from the microfilmed originals).

The respective building instructions/reports will be delivered electronically as PDF-files.

Plans in electronic form are delivered free of charge by E-Mail as TIF or PDF-files (please indicate preference).

Formats:

A0 = 841 x 1189 mm A1 = 594 x 841 mm
A2 = 420 x 594 mm A3 = 297 x 420 mm
A4 = 210 x 297 mm

Source of supply for parts
See page 2.

The thin (sometimes only partially visible) frame is marking the format. The bold frame is at 10 mm distance from the format. Please consider when printing from the files.

Source of supply for special parts
